## Who We Are

**ACL Digital, an ALTEN Group Company, is a digital product innovation and engineering leader.**

We help our clients design and build innovative products (AI, Cloud, and Mobile ready), content and commerce-driven platforms, and connected, converged digital experiences for the modern world through a design-led Digital Transformation framework. By integrating our strategic design, engineering, and industry capabilities, we help our clients decode the digital world and accelerate their growth journey.

Headquartered in Silicon Valley, ACL Digital is a leader in design-led digital experience, innovation, enterprise modernization, and product engineering services converging to Technology, Media & Telecom. We are a talented workforce and part of the 52,000+ employee ALTEN Group, spread across more than 30+ countries, offering a multicultural workplace and a collaborative knowledge environment.

### Mission

To innovate, digitize and transform to help our customers achieve better operational efficiency, enhance customer experiences and profitability.

### Vision

To be the most innovative and preferred Product Innovation and Digital transformation partner for enterprises while providing enhanced customer experience.
